## About Us: K-12 & Higher Education

For over 20 years we have provided the leading digital and content services in education.

eSchool Media is a digital marketing and custom content service platform. Our two websites, eSchool News and eCampus News, provide daily original news, objective analysis, resources and information to decision-making education professionals in K-12 and Higher Ed.

eSchool Media serves the advertising and marketing needs of companies and organizations that want to influence, and do business with, our loyal and professional audience of education decision makers. We both identify and influence the buyers who are in the market for your solutions.

### eSchool Media helps you fuel your sales pipeline by:

1. **Quality News & Content:** Engages buyer audiences when they are looking for solutions.
2. **Proprietary Data:** We have one of the largest active databases of education technology buyers through decades of user engagement and registration in our brands.
3. **Edtech Decision Makers:** We reach over one million K-12 and Higher Ed educators monthly, including tech buyers, IT decision makers, IT strategist, developers and more.
4. **Customer Service:** We provide excellent customer service through the design, creation and delivery of targeted marketing programs and deliver leads to clients weekly to help your sales programs succeed.

**Connecting**  
you to the education  
professionals looking  
for **your solution**
