Lead & Demand Generation

We generate high quality leads to fuel your education sales.

Content Syndication

Generate qualified sales leads by leveraging your organization's content.

Leverage your company's white papers, case studies, infographics or other content for maximum impact while generating qualified leads. Your assets will be hosted within our Resource Library where elite buyers and top education technology decision-makers will have access to your exclusive content 24/7. In addition, your asset(s) will be promoted through dedicated eMails to a targeted, engaged audience, generating the leads your sales team wants.

Education Resource Centers (ERC) – Microsite

Generate qualified sales leads with your own custom microsite featuring your content and solutions.

Highlighting your products and services in a custom ERC microsite puts your solutions right at the fingertips of education decision-makers. Your microsite will feature up to 8 downloaded pieces of your content, which we'll promote to generate highly qualified leads interested in your solutions. Your ERC will stay live on our site for 90 days.

Thought Leadership

We feature and promote your company's expertise and leadership.

Webinars

Share your unique story with decision-makers in an interactive web environment, educating your prospects and generating qualified sales leads.

A webinar is a powerful online presentation tool that allows you to communicate your message and establish your company as a thought leader, while communicating directly to education technology decision-makers. With our webinars, the sponsor selects the topic and provides unique and informative content for the presentation, including an interactive Q&A at the end of the webinar. eSchool Media provides a talented editorial moderator to coordinate the event, assist the speakers and manage the Q&A.

Custom Webinars

Let us help develop your event.

Don't have a webinar topic and speakers? No problem – eSchool Media can work with you to develop the webinar content and find the right speakers to showcase your company's innovations and solutions. Our custom webinar allows you to communicate your message to edtech decision-makers while leaving the work to us.

Over the past two years **MCH** has invested millions to completely re-engineer our data compilation processes. We now lead the industry with our high-tech ability to record and ingest school roster changes within 30 days of going public. Whether your organization uses data to drive sales outreach efforts or important marketing campaign efforts having the most comprehensive up-to-date data is what will ultimately drive your organization's success. Find out why more and more companies are switching to **MCH** as their K-12 contact data source.

Whether your campaigns include promotions via postal, phone, email, or programmatic digital display, **MCH** has your ideal audience.
